Commissioners' Report

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Rockingham County, herewith, present the annual report of the County Commissioners, Treasurer, Superintendent of County Farm, Superintendent of Mitchell Memorial Hospital, Clerk of Superior Court, County Solicitor, Sheriff, Farm Chaplain, Farm Physician, and Auditors for the year ending December 31, 1940.

Under the very able direction of Superintendent George W. Hilton and Matron Dorothy F. Hilton, we consider that the County Farm is being operated on at least as high a plane as any farm in the state. The very efficient conduct of the affairs of the Infirmary by Mrs. Gertrude L. Simpson, R.N., and the valuable services of Dr. Fred Fernald, our Institution Physician, have been of great assistance. We are very happy to report that while improvements are constantly being made at the Farm, it has been possible during this year to conduct its affairs completely within the budget authorized by the delegation.

We are also very much pleased at being able to report that the Mitchell Memorial Hospital has also, and for its second straight year, been able to operate with its expenditures completely within the authorized appropriation.

We wish to express our sincere appreciation of the very valuable services which have been rendered this County by Dr. Edwin B. McLean, Medical Director; all of the doctors of the Hospital Staff; Miss Elin Nelson, R.N., Superintendent; and to Mr. George E. Frame, Business Manager of the Mitchell Memorial Hospital.

Direct Relief to the needy remains our major problem, but by constant effort involving complete investi-

gation of all cases, plus the placing in employment whenever possible of any able to accept employment, either in private or WPA work, we have been able to reduce our net welfare expenditures. This has been accomplished despite the number of cases constantly being turned over to the County by the Towns because of having had direct relief from the given town during five consecutive years, thus destroying the legal settlement. These are, of course, mostly chronic cases who by having had need of relief for five straight years give indication of remaining a charge against our funds, in many cases, permanently, or at least until the age of 65 when, if they are eligible and are citizens, they may apply for Old Age Assistance.

The net debt of the County has been decreased \$22,067.61, and as of December 31, 1940, is \$76,169.04, of which outstanding bonds represent \$49,000.00, leaving the net short term debt \$27,169.04.

To all those in the employ of the County, officials of the Towns, the City of Portsmouth, to all the Physicians and Surgeons who have so generously contributed their services at the Mitchell Memorial Hospital, to Clubs and Organizations and all who have aided in the administration of County affairs and have kindly contributed to the welfare and happiness of the inmates of the Institution, we are sincerely grateful.

Respectfully submitted,

ALVIN E. FOSS,
MAHLON C. CURRIER,
IRVING W. MARSTON.

Outside of painting and a few minor repairs, the Court House at Exeter and the Court House at Portsmouth are in fair condition.

The attention of the County Commissioners is called to the fact that it is understood that a bill has been introduced in the Legislature to allow the services of women as jurors.

If that bill prevails, it will be necessary to make considerable alterations to the Court Houses to properly equip them with rest rooms and necessary heating and toilet facilities.

It is estimated that the necessary alterations to properly equip the Court Houses for such services would be Five Thousand Dollars per Court House, or a total of Ten Thousand Dollars. If the bill passes and women are to serve as jurors, the appropriation of the County Commissioners should include in its budget sufficient appropriation to cover the necessary alterations.

The appropriation and expenditures of the Superior Court for this County for 1939 and 1940 were as follows:

1939—Appropriation	\$40,000.00
Expenditures	41,157.25
1940—Appropriation	40,000.00
Expenditures	38,596.53

It is recommended that the appropriation for the years 1941 and 1942 be (\$40,000.00) Forty Thousand Dollars for each year.

Respectfully submitted,

AMOS S. RUNDLETT,

Clerk of Rockingham County

Superior Court.

Dated at EXETER, NEW HAMPSHIRE,
this twentieth day of January,
A. D. 1941.

In addition to the foregoing matters in the Superior Court, the Solicitor, at the request of the Sheriff's office, State Police or local police, has made twenty appearances in the various Municipal Courts of the County. These cases consisted of non-support complaints, juvenile offenders, motor vehicle violations and offenses beyond the jurisdiction of the Municipal Courts.

During the past year in certain sections of the

County, slot machines again began to appear. Raids conducted by the Sheriff's office resulted in seizing a great many of these machines and it is believed that this form of gambling is practically eradicated.

In addition to the criminal work, legal advice has been given from time to time at the request of the County Commissioners and other County agencies.

I wish to express my appreciation to Sheriff Frink and his Deputies for their continued coöperation and faithful discharge of their duties.

I am grateful to the police in the various towns and cities in the County, the Probation Department, and the State Police for their continued support.

It has been a pleasure to work with your Board during the year past and to again have the opportunity to serve the citizens of this County as Solicitor.

Respectfully submitted,

STEPHEN M. WHEELER,

County Solicitor.

EXETER, N. H., December 31, 1940.

Sheriff's Report

To the Commissioners for the County of Rockingham:

Gentlemen: I hereby submit my report as Sheriff for the year ending December 31, 1940. I wish to express my appreciation to all County officers at this time for their splendid co-operation and help during the past year. Our County Solicitor, Stephen M. Wheeler, has been a great help to the Sheriff's Department the past year, as before, in giving advice and carrying through the various cases that have been brought to the attention of your law enforcement officers.

I also wish to publicly thank Major Ralph Caswell and Lieutenants Cleveland Percey and Dwight Cormstock of the investigation department of the State Police as well as any of the State Troopers that have given any assistance; City Marshall Leonard Hewitt and the members of his department and the Chief of Police and the men under them in the various towns of our County for their help in keeping Rockingham County as one of the cleanest counties in regard to crime within the State of New Hampshire.

Our department, like all other law enforcement departments, has found that the proportion of Juvenile crime as compared to the total amount of crime has continued to grow. We have tried to correct this by speaking to various schools and young people's groups during the past year and trying to impress upon them how they can help by encouraging all young people that they come in contact with that obedience to law means their liberty and a clean record for them. While on this subject I wish to express my thanks to Probation Officer Philip Caswell for his assistance during the past year.

We have had our Chief Justice, the Honorable Henri A. Burque, with us during the past two terms of Superior Court with the result that the cases have been disposed of fairly, quickly and efficiently and our Superior

Court Docket is nearer cleaned up than it has been for a number of years.

The Rockingham County Jail has been newly painted throughout on the inside by men serving time at the Jail without a cent of cost to the County for labor. We believe this is the first time that this has ever been done in our County. The men have also built new tables and benches which we believe has accomplished two things: reduced the expense to the County and also given the men something to keep them in good physical shape for that time when they may be discharged.

I also wish to pay tribute to one of my Deputies, the late Joseph R. Edwards. A wonderful officer and public servant who will be long remembered by all who knew or served with him. To his family our department extends our sincere sympathy.

Another of my Deputies has added a Police Radio to his car at his expense during the past year, making a total of ten in our department, and at the County Jail we keep a complete log of all messages sent out from the State Police broadcasting station at Concord.

For a number of years, up until two years ago, we have had an appropriation of \$8,200.00 a year for the County Jail, but we were willing to accept a cut of \$200.00 a year on account of other increased County expenditures for the past two years; and for the combined two-year period we have kept within the appropriation by a little over \$30.00. We feel on account of outside repairs and painting that must be done and increased food costs as well as a new confinement cell that is needed in the basement that the County Delegation should again give us an appropriation of \$8,200.00 per year, and then we will have to do practically all the work by our inmates, which we are glad to do.

Again, as a year ago, I wish to state that our department is always ready and willing to render the best possible service for the protection of those within our

County. Please notify me at once as soon as you know of any loss or suspect anyone of misconduct, because the easiest time to apprehend a criminal, is while the trail is hot. A large percentage of the cases indicted at the last two terms of Superior Court by our Grand Juries were brought in by the Sheriff's department. This bears out in our County, as well as in the larger cities, that crime can best be investigated by plainclothesmen. Please feel free to call on my department at any time, and as is said in New York State, "When in trouble other than motor vehicle accidents, call the Sheriff," and I will see that you receive prompt, courteous service and a thorough investigation.

I submit to the Citizens of the County a list of the Deputies, the report of the County Jail at Portsmouth and a summary of the offenses for which the persons were committed to the Jail.

Respectfully submitted,

SIMES FRINK, *Sheriff*.

Co-operative Extension Work

The Extension Budget Committee figured the budget, to start with, on the basis of a full-time extra clerk as badly needed to handle the work of four regular agents plus some work for recreation. (This came to \$7,838.99.) After further consideration, we cut this amount to \$7,500.00 and are to do the best we can with a part-time extra clerk.

Last period we got \$7,171.00 for each of the two years. This means an extra increase of \$329.00 (of which \$223.00 is for extra clerical labor absolutely necessary for the efficiency of the work).

All supplies have already advanced in price due to war conditions.

The Extension Budget Committee has cut the budget as figured to a minimum and feels that the amount asked for is very conservative; however, members will gladly appear before the Budget Committee of the County Delegation and go over any details of the same if desired.

NOTE: A budget of \$2,600.00 for each of the two years was presented to the Farm Bureau Executive Board by the Chairman of the Rural Organization and Recreation Committee.

After due consideration, it was voted by the Board that \$500.00 per year be requested by the County Delegation for travel of Rural Recreation Agents; that this amount be separate from, and in addition to, the budget for the other three lines of work, i.e., County Agricultural, Home Demonstration and 4-H Club Work.

Report of Rockingham County Co-operative Extension Service, 1940

Work made possible through the co-operation of U. S. Department of Agriculture, University of New Hampshire and Rockingham County (Rockingham County Farm Bureau local organization co-operating).

The following gives a brief report of the regular three lines of work, i.e., County Agricultural, Home Demonstration and 4-H Club Work:

At this time I would like to call your attention to certain conditions of the Hospital. You will note that we have this year cared for an increase over last year of 323 patients, but the expenses of the Hospital as a whole have not increased. Naturally, the overhead of an institution of this kind does not change noticeably with an increase or decrease of patients.

The total expenditure for 1940 does show an increase over 1939. During 1939 Dr. Edwin B. McLean, our Hospital Physician, Drs. Oscar B. Gilbert and Louis C. Theobald, in charge of Obstetrics, Dr. Anthony Peters, the Roentgenologist, and Dr. Ralph E. Miller,

our Pathologist at Hanover, were paid from the relief funds. This year these bills were assumed by the Hospital.

We have this year been obliged to purchase new equipment for both the Operating Room and the Laboratory. I feel that these two departments are in excellent condition and should need very little expended during the next year.

This year all food that has been furnished the Hospital from the County Farm has been paid for by the Hospital and a meter was installed so that our electricity might also come into our own payments. I believe that all expenses of the Hospital have been assumed by the Hospital this year, leaving none to be carried by the Farm.

There are at present two recommendations that I would make. First, the Hospital is in dire need of a sterilizer in Maternity. Second, because of the prevailing conditions regarding the boarding of our nurses, I would suggest that a kitchen be established in the basement of the Hospital. I do not believe if this is done that the expenses of maintaining and feeding patients and nurses will be larger than what we now pay to the County Farm.

I wish at this time to thank you, the County Commissioners, for your coöperation and guidance pertaining to matters concerning the Mitchell Memorial Hospital.

Respectfully,

GEORGE E. FRAME.

Report of the Superintendent

To the Commissioners of Rockingham County:

DEAR SIRs:

It is my pleasure to present an annual report of the Mitchell Memorial Hospital covering the year 1940.

In February we received our dressing carriage, which has enabled us to do surgical dressings on the wards much more efficiently and with less contamination. Several other items of equipment have been acquired in the institution that facilitate matters in caring for patients and in the general routine of the Hospital.

We are very grateful for the donations received from Phillips Exeter Academy of bedspreads and chairs. Books and playing cards from Mrs. E. Curtis Mathews of New Castle are being enjoyed by the patients.

The Girl Scouts of Exeter have been of tremendous assistance to us on Sunday afternoons escorting visitors to the various wards and rooms.

It was necessary to give Mrs. Helen Miller entire charge of the X-Ray Department. Heretofore, it was covered by Mrs. Miller and Miss Conroy, but due to the increase in the amount of work in both the Laboratory and X-Ray Departments, they required almost constant attention. Miss Rose Brodeur has assisted in both these departments during the absence of either technician.

In closing, I wish to personally thank the County Commissioners, Mr. George E. Frame, Dr. Edwin B. McLean, the Medical and Nursing Staffs and the Employees of the Hospital for the loyal support they have accorded me during the year.

Respectfully submitted,

ELIN M. NELSON, R.N.,

Superintendent.

Report of the X-Ray Department

To the Commissioners of Rockingham County:

DEAR SIRS:

The X-Ray Department wishes to extend its appreciation to the Commissioners for their coöperation and support.

There has been a substantial increase in the total examinations made over the previous year, in view of which I might recommend consideration as to the modernizing of our equipment to render further service that would thereby be available.

I also wish to thank Mr. George E. Frame for his valuable suggestions, and also Dr. Edwin B. McLean, Miss Elin M. Nelson, and the technicians, who have immeasurably assisted me in the coördinative study of our patients.

Respectfully submitted,

ANTHONY E. PETERS, M.D.,
Director of X-Ray Department.

Report of the Medical Director

To the Commissioners of Rockingham County:

DEAR SIRs:

The past year has seen a continuation of excellent coöperation from the Medical Staff. New additions to our Courtesy Staff are Dr. Raymond Moore of Hampstead and Drs. Frederick Gray, John Sprague and M. Elizabeth Wilbur, all of Portsmouth. Two new physicians, Dr. Edwin Decatur of Kingston and Dr. John Blaisdell of Epping, were placed on the Associate Staff. Dr. Edwin Lee of Exeter was changed from the Courtesy to the Associate Staff and Dr. Thomas B. Walker of Portsmouth was transferred from the Courtesy to the Active Staff.

Miss Nancy L. Locke, the Record Librarian, has established the unit system of admission and filing and the Standard Classified Nomenclature of Disease in our filing system with a new visible file. These changes have provided the Hospital with the most modern method of recording and filing our case records.

The Clinical Laboratory has kept pace with the requirements imposed on it by phenomenal advances in medicine this year. The two new major pieces of apparatus have been acquired to aid in this. Namely, an Analytical Balance and a Photo-electric Colorimeter.

The improvements in nursing facilities and service have continued. The dressing carriage and changes in the handling of dressings have made for easier surgical care of patients and, consequently, an increase in the number of dressings which can be handled.

I wish to take this opportunity to express my appreciation for the coöperation received from the Board of Commissioners, Mr. George E. Frame, the Business Manager, Miss Elin M. Nelson, Superintendent, and from the Technical, Nursing and Maintenance Departments of the Hospital.

Respectfully submitted,
EDWIN B. McLEAN, M.D.,
Medical Director.

Superintendent's Report

To the Honorable Board of County Commissioners:

We hereby submit to you our annual report for the year ending December 31, 1940.

We deeply appreciate your guidance and co-operation during the past year in maintaining and managing the general routine life of the institution, and also inaugurating the following improvements:

The interior of the Inmates' Home and the Infirmary was entirely redecorated; considerable more time having been involved in the Infirmary, due to the general repairs necessary before repainting.

Realizing that our creamery was inadequately equipped, a new cement floor was laid, new wash tanks installed, and a hot air sterilizing chamber built which provides for adequate sterilization of the milking utensils. These changes have received the approval of the State Department of Public Health.

We are still continuing with the Bangs clean-up program in the dairy herd. The progress to date is beginning to be encouraging, as in the last three reports, we have had only one reactor and two clean tests.

In order to be more self-sustaining, we have increased our flock of grade sheep, thereby providing a more varied meat diet.

The crops in general did very well, especially the potatoes. We find that raising field corn and harvesting our oats as grain has helped to supplement our livestock feed.

We take this opportunity to express our appreciation of the whole-hearted co-operation of the staff, Dr. Fernald, and Rev. Wallace Boardman. The good will shown by the many organizations, social agencies and friends has contributed a great deal to the happiness and comfort of the inmates.

Respectfully submitted,

GEORGE W. HILTON, *Superintendent.*
DORTHY F. HILTON, *Matron.*

Chaplain's Report

From January 1 to December 31, 1940, the Chaplain conducted 24 services, Sunday afternoons, in the Chapel. Mrs. Boardman has assisted at the piano during the year and with vocal music. Dorothea Boardman has assisted with her violin, and also the singing. Mr. Thoresen has likewise assisted very generously and ably on the violin. Carroll Coffin has assisted with singing on several occasions. During the Chaplain's absence, he conducted one of the services.

The Chaplain has called upon the inmates from time to time, as has Mrs. Boardman. He has officiated at two or three funerals, when so requested.

The Easter Pageant presented at the Baptist Church was repeated at the County Farm by the Young People, with about 100 present. It was ably presented under the leadership of Mr. William McCoy, and was greatly appreciated.

A Christmas message was brought by the Chaplain on Christmas Sunday. Several Bibles and Testaments were presented to those wishing them.

The Chaplain's family, assisted by Mr. Thoresen and Carroll Coffin, sang Christmas carols at the Mitchell Memorial Hospital after the Christmas Sunday Service was concluded at the Chapel. Mr. Thoresen and Dorothea Boardman accompanied the carols on their violins.

The Chaplain has had the hearty coöperation throughout the year of Mr. and Mrs. Hilton, Mrs. Coffin, and others; and wishes herewith to express to each and all his sincere appreciation.

Respectfully submitted,

WALLACE S. BOARDMAN, *Chaplain.*

Physician's Report

To the Honorable Board of Commissioners of Rockingham County:

I am very glad to report that everything has run along very well at the Infirmary during the past year. There has been the usual large amount of sickness in the very old and feeble.

The repairing of the inside of the Infirmary and the Men's Home with a coat of paint has improved the looks and the sanitary condition very much. We appreciate it greatly. There are a few other places that I hope can be fixed soon.

I want to express my great appreciation of the coöperation of the Board of Commissioners, Mr. and Mrs. Hilton, and to all the nurses.

Very respectfully,

FRED FERNALD, M.D.

JANUARY 1, 1941.
